St George's were the eventual winners of our own CABS Sponsored T/20 for the fifth time in the 16 years it has been played, and not since 2009.

Well played to our 1st XI, who thoroughly deserved their victory. What an exciting climax to this CABS Sponsored St George's T/20 watched by a record crowd of supporters and cricket lovers.

Grateful thanks must go to our first team coaching staff of Mr. R Macdonald and Mr. D Kumundati who have been ably supported by our mercurial Captain, G Chirawu, who led the team from the front and was backed by the following players: - D Myers, E Bawa, B Chamboko, T Yekeye, H Patel, M Khumbula, K Jha, D Johnson-Brickhill, P Mlambo, L Mutendi, E Chitengwa, M Garande, R Adams and D Chipangura.

Well done, and thanks must go to all other college staff and workers under Mrs. H White and Mr. V Lewis and all of our Cricket Parents' Committee and other parents who all contributed significantly to the organization and running of this magnificent event. Thanks also to all our junior players for being ball boys and scoreboard operators too.

It has certainly highlighted St George's on the cricket arena in Zimbabwe and it has been a good start for the third term.

Cricket—News of Old Boys

Kundai Matigimu was a progeny of St George's College and left the college in 2014 in Form 3 before he would have written his O-levels. He went to St Benedict's College in Johannesburg and furthered his sporting career, especially in cricket. He subsequently has gone to Tukkies University, and has just been in the Tukkies winning cricket team that has won the South African Universities Intersarsity Cup.

He was also named as a surprise package in a 14-man unofficial SA Varsity team of the tournament for his tally of 10 wickets and great variation and skilful death bowling. He also picked up two MTN PULSE Best bowler awards. We wish him well in his quest to; first get SA citizenship, and then hopefully a chance to be eligible to play for a South African team in future years.

He will then join the elite company of **Colin de Grandhomme (OG 2004)** who has been representing New Zealand for the past couple of years. He has had a very successful year where he was instrumental in getting New Zealand through to the Finals of the World Cup Cricket T/20 tournament in the UK this year. It was unfortunate he never bowled or batted in the Super Over when England beat the 'Kiwis' to claim their victory after their dramatic tie after 20 overs and an Eliminator Over to be played (much like the St George's in our own T/20 final).

We salute Colin and give him all our support from St. George's College and wish him well in his future international cricketing career.
