SPORTING UPDATE

SQUASH

SQUASH VS ST JOHN'S COLLEGE

A TEAM VS ST JOHN'S COLLEGE

WON 3 – 2

B TEAM VS ST JOHN'S COLLEGE

LOST 0 – 5

Match report by Mr M. Gwese ~ “ The boys played St John's College in a well anticipated and exciting game, with both schools arguably having the best high school teams in the country. We started off on the back foot with two very close losses, in which the boys were in control throughout the whole game but due to a lack of fitness, they were unable to take the win. Fortunately enough, our top three players were able to completely dominate the game and outshine the opposition, winning very intense games with quite the margin. The boys continue their outstanding season with such a big win over such a big opponent. This should be a precursor to their upcoming inter-schools tournament in which I expect nothing but the best from them.”

----------------------------------	------------------

Match report by N. Chirume ~ “ On Friday the 8th of September, we played Bradford in an enthralling start to the new season. The pure excitement and determination of the girls poured through us as we sailed through the game, securing our first win. Following the second set, victory was within our grasp, so complacency was something we could not afford to have as Bradford fought back very well. In true Knights spirit, we demonstrated our skill and dominance, winning the game two sets to nil. It was undoubtedly a wonderful start to the season and we look forward to seeing how we perform the rest of the way.”
