Saturday marked our third fixture of the season as St George's faced Falcon College in what proved to be an exhilarating and high-scoring encounter. With confidence building from the last game, the Dragons entered the match determined to assert dominance early on.

The first half was nothing short of electric. St George's came out firing, displaying pace, precision and clinical finishing. Relentless attacking pressure and sharp execution saw the Dragons take full control of the game, racking up an impressive 48 – 3 lead by half-time. The forwards laid a strong platform, while the backline capitalised brilliantly, with Taonga Chirisa delivering a standout performance by crossing the line three times.

Despite the heavy deficit, Falcon College showed great resilience in the second half. They returned with renewed intensity and managed to put together a series of strong attacking phases, adding 28 points to their tally. However, St George's maintained composure and continued to build on their lead. A notable moment came from Rukudzo Mayida, whose well-taken drop goal highlighted both skill and game awareness. The Dragons continued to find gaps in the Falcon defence, extending their score to a dominant 77 points by the final whistle. **J C Hungwe**

St George's College Chess Teams delivered a highly competitive performance at the Dominican Convent Chess Tournament over the weekend. Facing large fields of up to 23 teams per division, the College secured a podium finish in the flagship category alongside a prestigious individual gold medal. The Senior Boys A Team showcased exceptional tactical skill, fighting through a fierce field to secure 2nd place overall. The Senior Boys B Team gained crucial match experience, placing 13th in a competitive 19-team line-up. The Girls Team put up a strong strategic display, finishing comfortably in the top half of their division at 5th place. Competing in a massive field of 23 schools, the Junior A Team secured a commendable top-10 finish by placing 7th. Demonstrating excellent depth in the junior ranks, the Junior B Team finished immediately behind their peers at 8th place out of 23. ~ **T Chidawanyika**

U14 vs Arundel	Lost 4 – 12

Last weekend, the Wolves Girls Basketball Team faced a challenging triangular fixture against Gateway and Arundel. Following a physically demanding Petra Tournament that left the majority of our squad side-lined with injuries, we travelled with exactly five fit players. This meant playing two consecutive matches with no substitutions. Although we lost both games, the Team demonstrated immense resilience, fighting hard through intense exhaustion against opponents with full benches. First, we played Gateway. The game began relatively slow-paced but as time went on we picked up on speed. The game wore us out as we began losing motivation with the increasing score-line for Gateway. We had many attempts to shoot free throws however most of them missed, which points that to be an area for improvement. The next game was Arundel, which we entered with much more enthusiasm. The game began at a much faster pace as there was more motivation and we put up a good fight, with strong defence. Despite missing multiple free throws again, we had a slight improvement and scored 5 points. We ended the game tired, but content with the improved effort we put in. ~ **F Garande**

FOOTBALL

❖ Football vs Lomagundi

1 st Team	Drew 1 – 1
2 nd team	Lost 2 – 1

At the start of the game we set the pace well, creating many chances through the wings and in the midfield but we couldn't get the goal we needed. Lomagundi did also cause the St George's Team trouble through their very tricky wingers but our full backs kept strong and kept pushing. The first half ended 0 – 0. The second half kicked off and the match started off with the Knights conceding the first goal from an amazing long shot effort by the Lomagundi midfielder. However the Knights were determined and kept pushing for that goal to tie it level and through our top goal scorer we managed to get one back, which gave us back the momentum. The game became back and forth with both teams wanting the win but the match ended 1 – 1. ~ **O Madzudzo**

❖ Football vs Falcon

1 st Team	Won 2 – 0
2 nd Team	Lost 1 – 2

Lots of rotations were made from St George's going into this match as we played Lomagundi the previous day, but the Knights quality stayed the same as we controlled the first half against Falcon College in which Hussein scored the opening goal for St George's to make it 1 – 0 in the first half. Falcon did push with many chances from their number 9 but all of them were denied. In the second half the Knights kept the same momentum and pushing for a 2nd goal to close the game while Falcon was trying to bring the game level. Unfortunately, from Falcon, St George's scored their 2nd goal of the game through the striker Mugwambi. At the end the Knights prevailed even through the efforts of the Falcon Team. ~ **O Madzudo**
