BASKETBALL CONTINUED...

Report by R Maida ~ On Friday we played St John's College. We started the game off with high energy and going the momentum but unfortunately the momentum dropped towards the start of the second quarter, which caused St John's to take the lead. They led for the majority of the game and across the game we trailed by a margin of between 4 to 10 points. Towards the end of the 4th quarter we came back and drew to John's 65 - 65. Unfortunately we lost 67-65 in the last few seconds. We played well and fought till the end.

SGC PLACED 4th

Report by M Mandipezano ~ The volleyball team showed great progress and resilience throughout the tournament. We have come a long way as a team, and our performance demonstrated the potential we have to achieve even more with continued training and teamwork.

Although we lost the 3rd and 4th place playoff and finished 4th overall, the team continued to fight and showed determination even when faced with challenging situations. Our performance reflected the improvement we have made throughout the season, both individually and as a team.

Moving forward, we need to focus on maintaining our morale, encouraging one another, and building on the skills we have developed. With consistent training, teamwork, and a positive attitude, we have the potential to achieve even greater results in future tournaments.
